

User-Friendly Courts

June 22, 2023

9:00 am – 11:00 am EDT / 15:00 – 17:00 CEST

We are glad to invite you to this online conference organized by IACA with the National Center for State Courts (NCSC), Millennium Partners and the East West Management Institute.

The session will encourage the discussion of the features of user-friendly courts, including people-centered space design, use of IT solutions, access to information, and how to make courts more accessible and inclusive for vulnerable groups.

Speakers will also address international best practices and case studies from courts in Moldova and Serbia.

Presentations will be followed by a discussion and Q&A with the audience.
